

DISTRICT /ALL- STATE AUDITION SIGN-UP – DUE September 29th

Student Name (printed): _____

CONGRATULATIONS, your student has decided to audition for District and All-State Band this year. This is a unique opportunity for your student to go and play with other students from around our area and state in a cumulative band outside of class. This year Auditions will be at **Vickery Creek Middle School in Cumming on December 2nd**. You will need to provide your own transportation. The requirements for the audition for wind players are the **CONCERT F, Bb, Eb, and Ab Major scales MEMORIZED**, the **chromatic scale MEMORIZED**, an etude that will be prepared before they go into the audition, and a sight-reading passage they will receive the day of the audition. Your child will be given all of this to prepare (except the sight-reading, of course) and will be able to take the etude **ONLY** into the audition. If your student needs a copy, they can see Mr. Smith for a print out, or visit – www.gmea.org to find all the information there. **The cost of the audition this year is \$25**. Please return this form with signed permission as well as \$25 by **September 29th**. Participating in District and All-State during middle school and high school years is not only a great motivator in becoming a better musician, but looks great on college and scholarship applications.

Please let me know if you have further questions by emailing me at andrewsmith@pickenscountyschools.org

I have enclosed \$25 and give my student permission to participate in District/All-State auditions this year.
