

PICKENS COUNTY MIDDLE SCHOOL BAND

Dear Parents/Guardians of Pickens County Sixth Grade Students,

I want to invite you and your student to participate in the 6th grade-beginning band class next year. The only step you need to take is to return this filled out form to sign your student up for the band program. The first few weeks of school, your student will be trying out many different instruments and deciding what is the best fit for him or her. **This is NOT the time to buy/rent/borrow an instrument.** More information on that process will come later. This is just an opportunity for your student to get involved in the largest group of friends on campus and to see how much fun it can be to play an instrument!

If you have further questions, please feel free to email me.

Thank you,
Andrew Smith

6TH GRADE BEGINNING BAND SIGN-UP FORM

I give permission for my child, _____

to be enrolled in the **Pickens County Middle School Sixth Grade Band Class**. By signing this form, my child and I agree that he/she is interested in participating in the Pickens County Middle School Sixth Grade Band Program this school year. **I understand that at this time there is no financial obligation to do sixth grade band.** Eventually an instrument will be needed and I also understand that my student will have time to pick an instrument he/she is interested in before options for acquiring an instrument will be discussed.
